Jul,

Yo a really great friend of mine told me to put a little Shrimp to do. You have been a great friend to me this year even though we got to be friends a little later in the year. Remember all the times we bummed around for a ride to tennis and all the dumb things we did. I hope you come and see me when I get married because I'll think of you all the time. Remember all the times in the rest room and at lunch. Behave yourself and stay out of trouble (especially in Spanish). Don't forget that you will always be welcome at my house. I hope you have fun this summer and next year too. You will be in my place next year. I mean a "BIG" senior.

Good luck in basketball next year and have fun in Mrs. Cooke's Business English class too!
